HEPBURN HALL

OUR NEW COMMUNITY DINING HALL

At the heart of our campus, we are building a new community dining hall that will be the cornerstone of our commitment to community-building. It will be large enough to accommodate all students and staff, creating a space where we will share traditions and experiences, create treasured memories, and deepen our connections with each other.

JOIN US FOR THE GRAND OPENING OF HEPBURN HALL

Celebrate the opening of Hepburn Hall with **John '68 and Jane Hepburn**, our trustees, and the many community members whose philanthropic leadership and generosity are shaping Lakefield's future. Everyone who contributes a flag in honour of this milestone will be invited to join us for this special dinner celebration in Hepburn Hall on **SEPTEMBER 26, 2026**.

OPPORTUNITY FOR LCS ALUMNI & FAMILIES

REPRESENT YOUR COUNTRY OR PROVINCE FOR \$50,000
Build a Legacy That Feeds Our Global Community.

We invite you to be part of an inspiring vision — the creation of our **Global Kitchen**, a space that will nourish both body and community while celebrating the cultural diversity that defines us.

As part of this initiative, we are offering a unique opportunity to **leave a lasting legacy by sponsoring the global kitchen** and representing the community from your country/province.

Our goal is to secure at least 15 commitments of **\$50,000**, raising **\$750,000** to support this meaningful project. Gifts can be pledged over mutiple years. Each gift will be recognized with a name plate accompanied by a geo marker containing your flag on our Global Kitchen donor wall.

The main Global Kitchen map installation is **designed to represent our growing community** as we welcome new members from across the world. Country pins will be featured on a beautifully designed global map each connecting back to Lakefield College School. The installation will be prominently displayed in the new Global Kitchen servery becoming **a powerful tribute to our international community** and our lasting global connection.

“At Lakefield, I didn’t just make friends—I built lifelong connections with people from all over the world. Learning alongside classmates with such different perspectives shaped how I see the world and how I move through it. That kind of experience stays with you.”
- LCS Alumnus '96.”
